

Letter of Recommendation

Nov, 20, 2024

Sophia Coccozza

Primary Teacher

Yasmina British Academy

Drama & Theatre Teacher at 'Summer in the City', Glasgow, UK.

To whom it may concern,

This is a letter of recommendation to certify that I worked with Callan for two weeks during the summer of 2024 at 'Summer In The City' drama & theatre camp. Callan demonstrated passion and creativity in managing light and sound for theatre productions: "Charlie and the Chocolate Factory" and "Harry Potter." He worked well with children aged 5-11, adapting to the fast-paced and unpredictable environment, whilst always prioritising the care and safety of the children.

Despite challenges with equipment, Callan's proactive problem-solving, dedication, and attention to feedback ensured the shows' success. His contributions, from creative script adaptations to technical expertise, made these performances truly unique and memorable. I highly recommend Callan to any future employer. His passion, adaptability, and technical skills, paired with his ability to work collaboratively in dynamic environments, make him an invaluable asset to any team. Callan's dedication to excellence and proactive approach to challenges ensure he will make a positive and lasting impact in any role he undertakes.

Best regards,

Sophia Coccozza

Khalifa City, Abu Dhabi, UAE.
